

# ALL-NATURAL 9-0-0 SPRING WEED & FEED

**KNOWN WORLDWIDE FOR SIMPLY THE BEST...  
...NATURAL FERTILIZER & SOIL BUILDERS!**

## ALL-NATURAL SPRING WEED & FEED

### 9-0-0 ALL-NATURAL GRANULATED CORN GLUTEN MEAL (CGM)

**Natural, Organic, Pre-Emergent  
Herbicide & Slow-Release Fertilizer**

#### RECOMMENDED USE

Sustane 9-0-0 is designed for use in early spring for early spring green up of existing turf and prevention of crabgrass and broad-leaf weeds. Suitable for use on all turfgrass types, Sustane 9-0-0 is available in medium grade and provides 100% slow release nitrogen. Best results for weed prevention achieved when applied yearly with 80% efficiency in years two and three.

#### PROFESSIONAL GRADE

Sustane Natural Fertilizer is backed by over 30 years of independent applied research on diverse crops and ecosystems. Unmatched by any other organic fertilizer manufacturer, such research is the foundation for developing products that deliver value under a wide variety of growing conditions. The superior performance of Sustane's products is recognized by turf managers and superintendents from around the world.

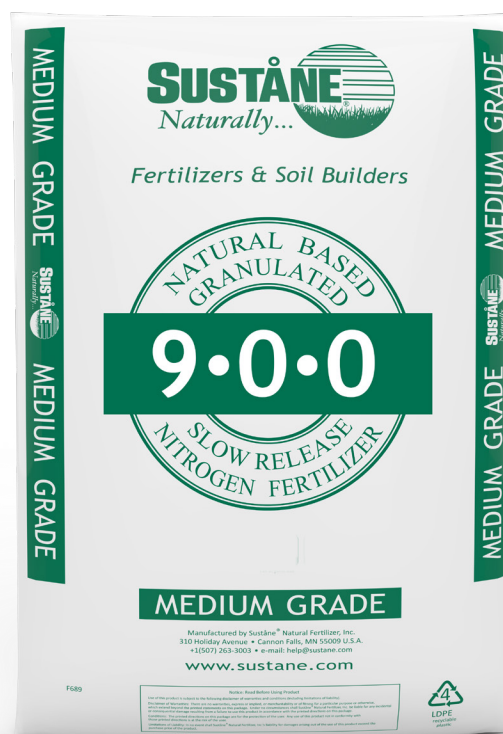

***There simply is no substitute for  
testing and applied research or  
a better way to optimize plant  
growth sustainably.***

#### BENEFITS OF GRANULATED CGM

**Sustane All-Natural 9-0-0 Spring Weed & Feed**

- Natural, Organic, Pre-Emergent Herbicide
- 9% nitrogen, with 100% water insoluble, slow release nitrogen promoting growth of established plants and turf.
- Perfect Granulation, 200 SGN (2mm), Medium Grade
- Apply with conventional broadcast and drop spreaders
- Low Dust
- Easy to Apply, Safe, Effective!
- Available in 50 lb bags and one-ton totes

ALL-NATURAL  
PRE EMERGENT
